**Conference Overview and Target Audience:**

This conference addresses evidence-based practice and current therapies for the management of type 1 diabetes in the pediatric population. This educational activity is designed for pediatricians, family and general practice physicians, residents, physician assistants, nurse practitioners, registered nurses, registered dietitians school nurses and health care professionals.

**Conference Information:**

If you have any questions regarding this conference, please email Zachary Bowling Pediatric Diabetes Education Services at El Paso Children's Hospital at [pedsdiabetes@elpasochildrens.org](mailto:pedsdiabetes@elpasochildrens.org) or call 915-242-8471. This brochure may be printed from the CME website at <http://cme.elpaso.ttuhs.edu>. The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine reserves the right to cancel this conference or make speaker substitutions in the event of unforeseen or extenuating circumstances.

Conference dress is casual and each attendee is encouraged to bring a sweater or jacket for comfort during the meeting. Persons with disabilities who need auxiliary aids or services must submit a written request to [miriam.flores@umcelpaso.org](mailto:miriam.flores@umcelpaso.org) so that appropriate arrangements can be made.

**2019**

# Pediatric Diabetes Conference

Saturday, Sept. 21, 2019

Presented through a generous gift from the Eisenberg family in memory of Florence Green Morgan.

Provided by The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine Department of Pediatrics and El Paso Children's Hospital.

**Location:**

The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine Academic Education Center, 2nd Floor  
4800 Alberta Ave.  
El Paso, TX 79905

TEXAS TECH UNIVERSITY  
HEALTH SCIENCES CENTER.  
EL PASO

## Learning Objectives:

Following the conference, the participant will be able to:

- Identify continuous glucose monitoring therapy concepts in the pediatric type 1 diabetes population.
- Apply effective communication techniques to engage children and their families.
- Identify when and how to screen children with type 1 diabetes for abuse, neglect and suicide risk.
- Apply carbohydrate counting methods to meal planning for children with type 1 diabetes.
- Identify common eating disorders in youth with type 1 diabetes.
- Identify the benefits of pediatric diabetes self-management education and support.
- Identify management strategies using insulin pump therapy for the pediatric type 1 diabetes population.
- Discuss ethical issues and protocols health care providers face when screening and treating patients who may be abused, neglected or at risk for eating disorders.

## Physicians:

Accreditation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine designates this live activity for a maximum of 6.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity provides 1.75 CME credits toward the annual requirement of the Texas Medical Board for continuing medical education ethics or professional responsibility.

## Nurses:

Accreditation: El Paso Children's Hospital is an approved provider of Continuing Nursing Education by the Texas Nurses Association-Approver, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

El Paso Children's Hospital will award up to 6.25 contact hours for completion of this educational activity.

For successful completion, the participant must:

- Sign in on the registration form.
- Attend the entire session to claim credit.
- Submit a completed evaluation form and credit claim form.

## Dietitians:

This conference is pending approval by the Commission on Dietetic Registration as meeting continuing education requirements for registered dietitians for a maximum of 6.0 CEUs.

## Other Healthcare Professionals:

Certificate of attendance available upon completion of the conference.
